

\$100 GRAND FINAL SWEEPSTAKES

Team : _____

Team : _____

INSTRUCTIONS: 1. Write names of the two Grand Finalists in spaces provided. 2. Sell ALL squares at \$1.00 per square. Buyers can choose their own square(s) - total prize \$100.00 3. When sold out and before the match starts, write the numbers 0 through 9 onto small bits of paper and place in a hat. 4. Randomly draw numbers one by one and write the numbers along the top of the grid (on dotted line outside the grid). 5. Repeat for the left side of the grid (outside). Hang sheet on noticeboard. 6. These numbers represent the last digit of each team's final score. 7. Where these two lines intersect is the \$100.00 winner! eg. Final score 15-6, go across to number 5 and down to 6 - WINNER!

\$1.00 per square - \$100 Winner Takes All!
